Resource Manual

This book is a product of countless hours of volunteer efforts by the generous citizens and friends of the Kingfisher Community Collaborative, Inc., and, especially, Kingfisher Families First. Kingfisher Community Collaborative Inc. was initially organized in 1997, and since has worked to assist our schools and improve communication among the many area help agencies and organizations. We hope this Resource Manual will be instructive to those individuals and groups who also work to make our community better.

Every attempt has been made to assure accuracy, however, mistakes are likely and present within any volunteer organization. Please accept our apologies. Fortunately, due to the nature of a notebook manual, *we are able to make corrections*. Updates will be posted via our website, <http://www.kingfisherfamiliesfirst.org>. If you do not have access to the internet, you may contact Debbie Jorgenson at 375-6607, or Charles Willis at 375-4702 (fax is 375-6347), for updates or requests for change.

Corrections, Additions, Deletions

- All corrections will be reviewed by the Kingfisher Community Collaborate, Inc. board for approval.
- Additions or deletions may also be presented to the board for consideration.
- Corrections, additions and deletions are made at the sole discretion of the Kingfisher Community Collaborative, Inc. Board.
- The board meets approximately six times a year.
- Decisions are made based on local Kingfisher Community needs.
- **There is no cost for inclusion.**

As changes are made available, the website of Kingfisher Community Collaborative, Inc. will post them online with instructions to download for inclusion in the notebook.

You may also leave your e-mail address as indicated on the website for further update notifications. Your suggestions and comments are also welcome.

It is our hope that this manual will be of timeless service to you, and will enhance the civic opportunities of our community.

Sincerely,

Kingfisher Community Collaborative, Inc.
